

Safety Precautions and Regulations

From Wednesday May 19th we can serve you food and drinks inside as well as in our gardens. To ensure the safety of all visitors please observe the following guidelines:

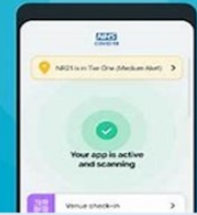

- * On arrival ALL visitors must register using the NHS App or a paper form. The data is destroyed 21 days later
- * We will show you to a table for a maximum of 6 people from 6 households. Menus are on Facebook and Web
- * Please do not move or join tables to form larger groups
- * Use hand gel, wear masks when moving and stay socially distanced from others not in your group
- * Table service only for orders/payments. Card preferred
- * If you are seated in the garden please use the Visitor Centre Toilets. We maintain them

THANK YOU FOR HELPING TO KEEP US ALL SAFE

NHS
COVID-19

Protect your
loved ones

The NHS Covid App holds personal data but does not collect personal data

It holds details of venues you visit but this is not identifiable to the government

If a Covid infected person is identified and found to have visited a venue at the same time as you, your contact information is shared with Track and Trace teams

For more information on the security of your data and how it is used visit:
www.gov.uk/government/publications/nhs-covid-19-app-privacy-information/anonymisation
